IN THE MATTER OF THE "WINDING UP ACT," AND IN THE MATTER OF "THE COLUMBIA TOWNSITE IMPROVEMENT COMPANY, LIMITED."

BY an order made by the Honourable Mr. Justice Walkem in the above matter, dated the 10th day of May, 1898, on the petition of the above-named Company, it was ordered that the said "The Columbia Townsite Improvement Company, Limited," be wound up by the Court under the provisions of the "Winding Up Act."

YATES & JAY,
Solicitors for the said Petitioner.

IN THE SUPREME COURT OF BRITISH COLUMBIA.

IN THE MATTER OF THE "WATER CLAUSES CONSOLIDATION ACT, 1897," PART III., AND IN THE MATTER OF A PETITION BY THE "ASHCROFT WATER-WORKS COMPANY, LIMITED," FOR A CERTIFICATE UNDER THE PROVISIONS OF SECTION 55 OF SAID ACT.

1. This is to certify that the Ashcroft Water-Works Company, Limited, a specially incorporated Company within the meaning of Part III. of the "Water Clauses Consolidation Act, 1897," incorporated on the 28th day of July, 1897, for the sole object of constructing and operating a water-works system for the supply of the unincorporated locality hereinafter defined, and the purposes necessary and incidental thereto, has by its petition prayed for the granting of a certificate under the provisions of section 55 of the said Act; and, furthermore, that upon the hearing of the said petition it has been made to appear to my satisfaction that the Company has complied with the provisions of section 52 of the said Act, and that the facts made to appear to me are such as to justify the construction and operation of the proposed undertaking and works, and the doing and exercising of all acts and statutory powers in connection therewith.

2. And this is further to certify that the said undertaking, as shown by the documents and plans filed in support of the said petition, is as follows:—

(a.) The Company propose to generate electricity at a point about three miles from the Town of Ashcroft, on the Bonaparte River, by water power, and to convey an electrical current by wire to an electric motor pump situated on the east side of the Thompson River at the foot of First Street, of the said Town of Ashcroft, and about 800 feet south of the bridge on the Cariboo Road crossing the Thompson River near the said Town of Ashcroft, and with the use of this pump to pump water from the Thompson River to a reservoir situate about 1,600 feet from the pump-house upon the lands lastly described at an elevation of about two hundred feet, and to distribute the water

from the said pump and the said reservoir through the said unincorporated locality by means of pipes and mains laid under the street for the use of the inhabitants.

(b.) The unincorporated locality for which the above Company was incorporated with the object of constructing and operating a water works system, and for purposes necessary and incidental thereto, consists of all and singular those certain parcels or tracts of land and premises situate, lying and being in the Province of British Columbia and known and numbered as Blocks 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, 16, 17, 18, 19, 20, 21, 22, 23 and 24 upon the map or plan of the Town of Ashcroft, showing the subdivisions of part of Lot 423, Group 1, Kamloops Division of Yale District, deposited in the Land Registry Office at Victoria on the 28th day of June, 1886, and there numbered 189, and the station grounds of the Canadian Pacific Railway Company shown on the said plan.

(c.) The approximate number of persons actually resident within the said unincorporated locality is about 500, and the number of inns 3, the number of dwelling houses, 40, churches, 3, stores, 8, and buildings and works occupied for industrial purposes, 8.

(d.) The amount of unrecorded water for which the Company has made application is 100 inches, and the estimated quantity of water available in the Thompson River, from which the Company propose to draw their supply, is about 1,000,000 inches. No head is required for the operation of the proposed system.

(e.) The lands sought to be taken by the Company under powers of expropriation is a strip of land nine feet wide running through Block 23 of the said Town of Ashcroft; thence continuing in a strip of the same width through and across the right of way of the Canadian Pacific Railway Company; thence in an easterly direction in a strip of the same width for a distance of about 800 feet from the eastern boundary of the said right of way to the proposed site of the reservoir, which said site is also sought to be taken under powers of expropriation, and which will include about one-quarter of an acre. All of the said land sought to be so acquired east of the Canadian Pacific Railway Company's right of way is in said Lot 423, Group 1, Kamloops Division of Yale District, but does not form part of the said Townsite of Ashcroft.

3. And this is further to certify that the amount of capital of said Company, which shall be duly subscribed for before the Company shall be authorised to exercise its corporate powers, is hereby fixed at the sum of \$10,000.00.

4. And this is further to certify that the time within which the said capital is to be subscribed is fixed at one month from the date hereof; and the time within which such undertaking is to be commenced is fixed at one month from the date hereof.

5. And this is further to certify that I have imposed the following conditions and restrictions, which I deem necessary in the public interest, namely:—

(a.) That such works shall be in operation so as to supply water to the amount of 5,000 gallons per day within the said unincorporated locality within twelve months from the date hereof.

Dated this tenth day of May, A. D. 1898.

[L.S.] GEO. A. WALKEM,

*A Judge of the Supreme Court of
